Happiness Is...1.25 acre a Lake Front Property with a Beautiful in ground pool..

A house that says, "come in"

A lifetime home in a beautiful lakeside setting featuring: A gorgeous lake plus an in-ground pool. This fabulous 4 bedroom 3 bath home offers a total sq. ft. of 3183.

Entrance: You enter this wonderful home by walking through a covered flagstone laid front porch & through a double entry front door with leaded glass insert. This home says "Welcome" in all ways. You'll walk into the foyer & immediately fall in love with lovely oak wood floor. To the left of the foyer is the **Living room** that has an air of gracious formality. Beyond the living room, is the **Dining room** that features a double, floor to ceiling window, bathing the room in light. Off the dining room is the spacious country style **Kitchen**, a gourmet cook's dream featuring, beautiful white endless cupboard space for the entire room, Corian counter tops all around with, a designer, color coordinated, ceramic tile back drop. The white smooth top stove finishes the look and next to the stove is the matching modern eye level oven (no more stooping to look at the roast) with cabinets beneath. There is spot lighting that accommodates the **Eating area** and, under the window is a window seat that features generous storage space. Off of this room is the very spacious **Laundry room** offering a full size sink with cabinets beneath and cabinets over the washer & dryer. Next, off the kitchen is the **Family room** featuring, neutral Berber carpet & a gorgeous gas log brick fireplace. Then, open the sliding glass door off this room and enter the **screen room**, it overlooks the yard and woods that goes down to the Lake. When you open the screen door, and go down the stairs, you will find the way to the pool. Walk back in the house and up a few carpeted stairs and you will see the luxury size **Master Suite** having space for TV, extra chests and that sitting room atmosphere. The **Master Bath** has a convenient walk-in closet. 2 more spacious bedrooms are on that level with a ceramic tile bath between the rooms. The **4th Bedroom**, is on the lower level and that level is ideal for an in-law setup or children that come back home. The one room is 24x16 and being used as a exercise room. The next 21x15 room is the bedroom with one whole wall of closets. It has it's own Ceramic tiled bath with shower and tub combination. The door to the outside goes to the privacy fenced pool. The **Pool** can be entered off the 4th bedroom. and, the screen room. There is a cement deck patio all around the pool area with plenty of room for all your outdoor furniture and your grill. There is an oversized **2 Car Garage** that has plenty of room for mower, bikes and family car too. In the garage is a room that has 2 work benches for the handy man.

Location-Location-Location and more extras this home offers the new buyer...

Beautiful views and great fishing from the dock that offers a variety of fish. This lake is a spring fed mature lake that offers access for your boat & canoe. The lovely home is nestled on a 1.25 acre lot that has a chain link fence through the entire back yard down to and into the lake. It is cross fenced approximately 30 ft. up front of the lake with a safety gate to insure safety for children and pets.

Another great feature in this house is the lower unit. It is private with a separate entry, two large rooms, and full bath. This area can be perfect, for your in-laws, teenagers, or college students. This house is in pristine condition and ready to move into and there is no work necessary.

Other features: 1. There is a double gate entry to the back yard. 2. All blinds and window treatments stay. 3. The fireplace was converted to gas logs. 4. There is a separate hearth in the lower level with its own chimney opening and ready for a stove if you so choose. 5. 6 ft. high privacy fence around the pool.

This is totally a brick house with cedar trim... Just right for the executive and in a neighborhood of imposing homes... This one stands out.
